April 2020

During this time of uncertainty regarding the national health pandemic, the NMSU and the Sandoval County Extension office is doing due diligence to honor the recommended social distancing protocols set by the Department of Health by working at home until May 15. Please feel free to reach out to us at any time with any questions, Monday through Friday between the hours of 9am to 5 pm. The County Administration Building is closed to the public.

Good health advice: stay home and work in your garden.
